

# Composite Worktops

paula rosa | manhattan

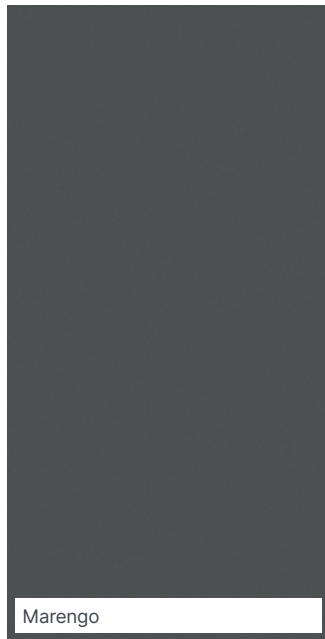

We work with our solid partners to offer a variety of colours, textures and styles.

## Entry Range

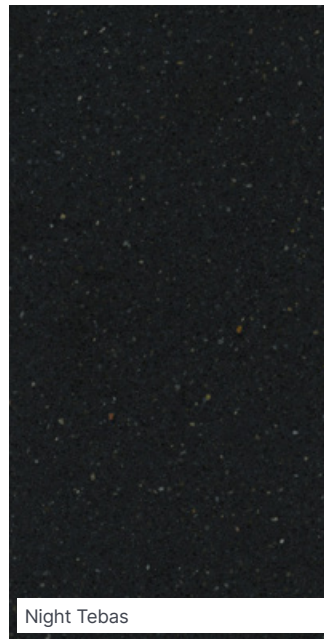

Crafted from premium materials, solid worktops provide durable and elegant surfaces that stand the test of time, bringing the warmth and character of natural materials into our kitchen.

Gris Expo

Marengo

Night Tebas

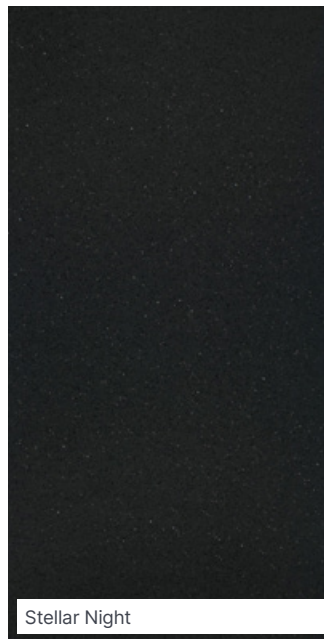

Ocean Foam

Snow

White Shimmer

Stellar Night

## Low Range

Customise your worktop space with upstands and solid splashbacks. Elevate your kitchen space by adding waterfall edges at the end of worktop runs. Solid worktops are available in depths between 600mm and 900mm.

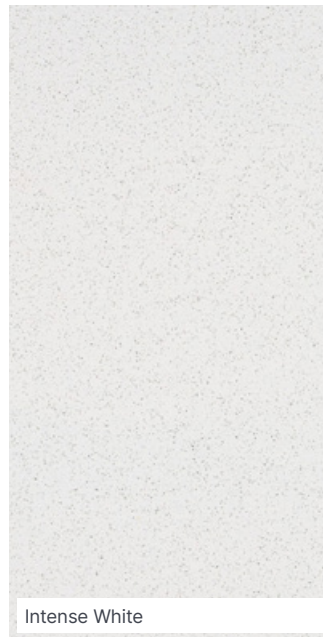

We work with our solid partners to offer a variety of colours, textures and styles.

Clamshell

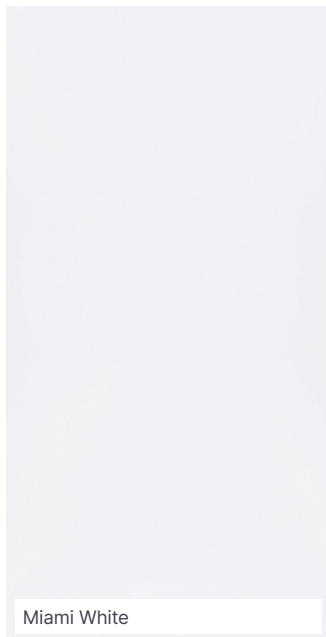

Concrete

Intense White

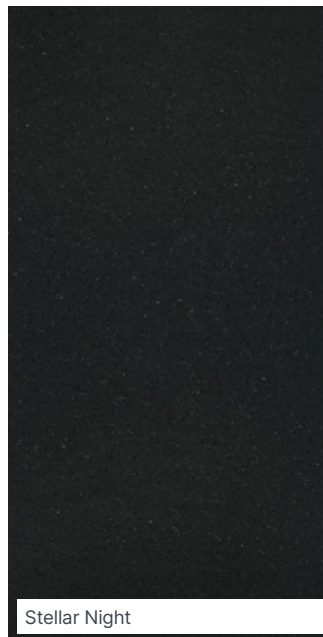

Jet Black

Miami White
